Notes:

- Please see the Order for associated lots. Orders are available on the Office of Zoning website or by visiting the office
- Where the notation GOV is mapped, the designation for DC Government property only signifies the use, not the zoning.
- The Planned Unit Development Chart for this map can be found on the last page of the Zoning Map. Please note that there is a list of PUD's that have not been mapped in this version. They will be included in the next printed version.
- Future addenda to the map can be obtained on the Office of Zoning website at www.dcoz.dc.gov or by calling (202) 727-6311.
